**Miracle Makeover: From \$5 to

Discover the Secret to
Accelerated Financial Success**

Entrepreneur Robert T. Kiyosaki.

This is a LEGITIMATE BUSINESS OPPORTUNITY, based on the "Cash Flow Method" invented by renowned entrepreneur [Robert T. Kiyosaki](#).

You've probably seen or heard about this method on TV shows, or you may have read about it in the Wall Street Journal . If not, here it is revealed at your disposal and in detail, step by step.

It really is in your best interest to read it in its entirety, if you don't have time right now I recommend saving [this link](#) and analyze it calmly as soon as you have the opportunity.

This program is not new. It has been around in many forms for at least two decades. But before, it required much more time and effort, as well as an economic expense (since what we do today on the Internet, before it was done by postal mail).

Try this System! You only need: A few minutes of your time and 2 dollars... With this you will receive a lot of money!

It is completely understandable that it is difficult to make the decision to invest money, and even more so when it comes to an Internet business and you are not sure if that business is going to work or not. I have personally verified that the System that I am going to present to you in a few moments does work and works perfectly.

YOU ONLY NEED 2 DOLLARS TO FULFILL YOUR PURPOSE. THE ONLY LEFT IS FOR YOU TO ACT AND BE SURE THAT IT IS POSSIBLE.

Last January (2013) I received an email telling me how to make around \$15,000 in one go. Of course, I was skeptical at first, but I still read it to the end. I didn't delete the email because something about it seemed logical and rang true.

I finally decided that I had absolutely nothing to lose by giving it a try. After all, 2 dollars represented the cost of a coffee or a soda. On the other hand... what if the system really worked?

Therefore, I put my doubts aside and followed the simple instructions given in that email. It took me only 20 minutes and it cost me 2 dollars.

Now I am seeing the fruits of having believed and acted: I am getting the income that I could not otherwise, since I was without a job.

The business plan that I am about to share with you works perfectly and no one has ever made less than \$10,000 with it.

Robert T. Kiyosaki Financial, Author of several books such as the well-known *Rich Dad - Poor Dad*, Professor of Economics and Finance, says : *"This system, WORKS 100% GUARANTEED, is the best money flow system with the best benefits, with only a minimal initial investment."*

Let me reiterate that this is a LEGITIMATE BUSINESS OPPORTUNITY, which does not require you to sell anything. You also don't have to convince your friends, family or anyone else about it (unless you want to).

Just follow the simple step-by-step plan exactly as outlined below. If you do, in the next 60 days you will receive around \$15,000 (and even more) in cash, via your PayPal account.

I know this may sound absurd, but this business works like nothing you've ever seen before in your life! You don't have to believe me... The math you'll see below doesn't lie.

If, *reading to the end*, you decide not to take advantage of this opportunity (which will surely change your life), I sincerely respect your decision and understand that you have your reasons. Therefore, I wish you good luck for the future. I can tell you this with complete sincerity because, as you will see, if you decide to carry out this plan, I will not receive any financial compensation from you.

I'm here to help you get started NOW! And keep in mind that I am NOT asking you to send me a single penny for the lucrative project that I am

about to share with you. You are also not being asked to buy anything or sacrifice your free time.

This System works, no matter where you are from or what you do, if you are young or old, if you are a man or a woman, if you know about the Internet or not. And you won't need any special knowledge or talent. Nor will you need to use a web page, or make phone calls, or photocopies, or send letters through the traditional mail, or pay for advertisements, or publicity, etc.

This System works through email address lists. There is no associated company or intermediary. This System is made up of all HONEST Internet users who participate in it. Thanks to the HONESTY of the people and the simplicity of this method, it is possible to generate very good income in a short time.

All you need is:

1. An e-mail address.
2. A PayPal Personal account (for individuals) with at least \$2 deposited into it.
3. Allocate 20 to 30 minutes of your time to send 40 emails.

After this, there is absolutely nothing else to do, just hope to earn many thousands of dollars in a few weeks. With only 20 minutes of easy work! I know it, it looks so good for being true! I was thinking exactly the same as you until I actually tried it!

Even if you are engaged in other projects, work, or business, engage in this one as well. You have absolutely nothing to lose but look forward to making some serious money in the next few weeks!

DO YOU NEED PROOF OF ITS EFFECTIVENESS?

Here are testimonials from the many individuals who decided to invest just \$2 and a half hour of their time to participate in this program:

Testimony 1

"Well, what can I say? THANKS A LOT! I sent 40 E-mails like you told me and completely forgot about it. To be honest, I really didn't think I would get anything out of it. But when I checked my PayPal account two weeks later, there was over 5,000 euros in it! After 30 days I now have more than 11,000 euros! I can't thank you enough! Felipe Beiro , Ribadavia, Ourense.

-Testimony 2

"I got a chill when I saw how much money was flooding my PayPal account. Within 3 weeks my account has inflated by 12,450 euros. At first I thought there was some kind of mistake with my account because I couldn't remember the shipments I had made anymore. THANK YOU! "Ricardo Pallet, Cadaques , Girona.

Step 1

To receive money from the Internet, the first thing you need is a PayPal account. If you don't have one, it's easy and free to get one. On the registration page of www.paypal.es select the type of personal account, choose your country of residence and fill in some basic information that is requested. If you need more information about registration, go to this link www.paypal.es

Step 2

The next thing to do when you have your personal PayPal account is: IMMEDIATELY send a \$2 payment from your PayPal account to the first email address listed below:

1. voyayudar@gmail.com
2. matiasadadia.2031@hotmail.es
3. davidaguirre8@mixmail.com
4. santiagoabad.2030@gmail.com
5. octaviohines@hotmail.com
6. richahora@gmail.com

The reason for payment must be : " **Please add me to your mailing list**"

You have to be sure to add the above, because it is what KEEPS THIS PROGRAM LEGAL since you are paying for a Service.

Sending your \$2 payment to the first address on the list will earn you a lot of money!

If necessary, in this there are 2 [video tutorials one to create a Paypal and the other account for the payment of \\$2.00](#)

After making the transfer of 2 dollars, and after only a short period of time, you will see for yourself that this System does work, because you will have done it just like many other people do, and with it they will make you earn a lot of money .

Step 3

Once you have sent a \$2 payment to the number 1 address on the list, the next thing you need to do is: Delete the number 1 email address and then put:

The email address number 2 in position number 1.

The email address 3 in position 2.

The email address 4 in position 3.

The email address 5 in position 4.

The email address 6 in position 5.

That is, it moves each of the email addresses on the list up one position.

Now position 6 is empty. Enter your email address that you registered with PayPal there. (Otherwise you will not receive money from others).

Step 4

Now, make an exact copy of the content of this message, since you will send it (as an email message) to at least 40 people. Keep in mind that 40 is a good number of people, but with all the various ways to advertise online today, the number of people who get your message through you could be much higher if you want.

Think that the more emails you send, the more lists with your name there will be and the more possibilities you will have to earn **MORE MONEY**.

Remember: The copy you send will contain **YOUR** email address (the one you put in your PayPal account) at number 6 on the list, which removes the address from number 1 on the list, and moves the other email addresses up one position.

The best way to send 40 emails is to copy the message (After payment is made to the top of the list and after you have placed **YOUR** email address in position 6) and paste it into a new email that you will send to friends, family and others email addresses that you deem appropriate. The more emails you send, the better. Be careful to send one email per person, so that the message is not classified as spam.

WARNING! Don't be tempted to add your address to position 1 thinking you'll make the money fast! It does not work like that! You will receive practically nothing! If you do this, you will reach **ONLY** the people you are emailing directly to, and then your address will immediately move out of the #1 spot and not reach thousands of people!

However, if you add your name to the number 6 position, there will be literally thousands of people who will receive and send the email later, when your email address is in the number 1 position. This is the difference between earning almost nothing and win \$15,000.

Once you have your email message ready, send a minimum of 40 copies, but be sure to send it to people you know or relatives, or people you know will respond, promote this message on ad pages or make a simple [web](#) like it and promote it on [free visitor exchange pages](#), forums, advertisements, etc.

In the subject line of the email, write catchy titles like: **"Invest \$2 and earn \$15,000 in just 60 days!"**

The reaction time is Extremely Fast... **INTERNET TRANSFER IS FAST!**

This is why it only takes a few days for those \$2 payments to flood your PayPal account. Within 60 days, around \$15,000 will pass through your PayPal account. In fact, you can expect to receive a substantial number of \$2 payments within the first few days.

Now, here's the System MATH:

When you send your emails or post your ads, your email address will initially be at number 6 on the list. This is the best position you can be in if you want to make a serious amount of money.

The expected response when you send the email to people who you think may be interested in the System, on average, is close to 25%. But let's be extremely conservative here and assume that you receive a response rate of half that, only 12.5%. The results will be as follows: If you send your email to 40 different people, you can expect at least 5 of them to do exactly what you did ($12.5\% \text{ of } 40 = 5$).

During this time, your address will have moved up to number 5 on your mailing list, and this list will now have reached around 200 people ($5 \times 40 = 200$).

Of these 200 people, you can expect at least 25 of them to participate ($12.5\% \text{ of } 200 = 25$), so that's 1,000 more emails (25×40) that are sent and your email address will have reached the fourth position on the list. .

Of these 1,000 people, you can expect at least 125 of them to participate ($12.5\% \text{ of } 1,000 = 125$), so it will be 5,000 more emails ($125 \times 40 = 5,000$) that are sent with your address in position number 3 of the list.

Of these 5,000 people, you can expect at least 625 of them to respond ($12.5\% \text{ of } 5,000 = 625$), so now there will be 25,000 emails ($625 \times 40 = 25,000$) that are sent with your address in position number 2 of the list.

So, of these 25,000 people, you can expect around 3,125 of them to respond ($12.5\% \text{ of } 25,000 = 3,125$), so now it will be 125,000 emails ($3,125 \times 40 = 125,000$) that are sent with YOUR ADDRESS in the number 1 position. So out of these 125,000 people, you can expect around 15,625 of them to respond ($12.5\% \text{ of } 125,000 = 15,625$). And since he will now be at number 1 on the list, he will receive: \$31,250! ($15,625 \times 2 \text{ dollars}$).

The first payments will arrive within a few days, and will continue at the rate of about 100 payments per day for about 30 days. After this time, the volume of payments begins to decrease while your email address vacates the number 1 position.

This is all you need to do!

There will be around \$15,000 in \$2 payments waiting for you in your PayPal account within the next few weeks. \$15,000 for the job of just 30 minutes!

Now withdraw the money from PayPal to your own bank account or request a check. It's that easy! I think it's worth it. And what do you think?

THIS METHOD WORKS, IT'S EASY, FAST and 100% LEGAL!

No cheating can occur because PayPal only allows one account per person. Remember, you only need to send at least 40 emails. This will be enough to generate a substantial lump sum within 60 days.

And all thanks to a simple email and a \$2 transaction via PayPal!

This program is designed so that each one sends only 40 emails at the beginning. However, you certainly don't have to limit yourself to 40. Send as many emails as you like. Every 40 emails you send have a profit of at least \$15,000 within 60 days.

Remember that sneaking into position 1 on the list will not produce the results you think, and only you will lose the opportunity to earn money, as I explained before. Also, it sets other people back who have put in the effort and earned the right to be there. Do it right, play by the rules and the Money will come to you very soon.

There is a maxim that says: to be prosperous, you must first help another to be prosperous. That's why this plan works.

You're probably still a little wary, especially with all the various programs out there, but if you don't try, you'll never know. I felt exactly the same thing that you are probably feeling now: I wanted to believe it, but I was suspicious at the same time.

Until I finally concluded that I had absolutely nothing to lose. After all, they were only asking me to invest \$2, but I could earn many thousands of them within a month. And all for half an hour of my time!

You now have the knowledge that will allow you to make around \$15,000 within the next few weeks. The only thing that can hold you back now is mistrust or fear. However, any doubts you currently have will disappear shortly after you put this plan into practice.

successes!

You have nothing to lose and everything to gain
